How to find us

There are many ways to travel to the University of Hertfordshire. Information is available at: go.herts.ac.uk/find-us

College Lane Campus

We are located on the College Lane campus, just off junction 3 of the A1M.

CP Snow Building

The Sports Injury and Rehabilitation Centre is based in the CP Snow Building, near the LRC. You may refer to the campus map at: go.herts.ac.uk/hatfield-campus

On entering the campus, follow the road past the bus stops on your right, and a yellow building on your left. Go over the speed bump, and turn right opposite the art and design building, up the hill. The road will turn left, and then right. Turn into car park number 5 on your right. As you face the building from the car park, the block in front of you is the CP Snow building. The entrance to the Sports Injury and Rehabilitation Centre is on the right hand side and has a sign above the door.

Where to park

At the weekend, and on weekday evenings after 5pm, you may park in car park 5 free of charge.

On weekdays you may park in car park number 9, which is pay and display. On entering the campus, follow the road past the bus stops on your right, and a yellow building on your left. Go over the speed bump, and take the next turning on the left, sign posted visitors car park. Follow the road down between the buildings and turn right at the bottom into the car park. Please ensure you purchase a ticket, otherwise you will receive a parking fine.

There are also disabled parking spaces directly outside the CP Snow Building. Drive past car park 5, and follow the road around to the right. Take the next turning on the right and the parking spaces are on your left, by the entrance to the centre.

Can’t find us?

If you are unable to find us, please ring us on 01707 285181. We will give you directions or we will come to you if you are on campus.
