## What you liked about Hertfordshire Business School?

Studying International Business with a language has definitely benefited me in later life. I believe that the ability to move to Madrid and work for a global Investment Bank shortly upon graduation, is evidence of the success that HBS provides during the 4 years. I enjoyed the range of modules studied, the variation to those offered in other Universities, above and beyond the standard choices. Combined with a language and year abroad option it is the foundation for high calibre graduates.

## What you do in your job?

I help find my clients find highly skilled professionals in the areas of Banking Operations and Compliance within Wealth Management, Investment Management, Hedge Funds, Banking and Brokerage houses.  
- Operations, Compliance, Performance and Attribution, Risk- Operational/Market/Liquidity, Back Office, Marketing/RFP, Client Services, Investor Relations, Sales Support  
Graduate Recruitment & Experienced Hires
