

School of Engineering and Technology Accredited Awards

The three professional bodies currently supporting the School are:

- The Institution of Engineering and Technology (www.theiet.org)
- The Institution of Mechanical Engineers (www.imeche.org)
- The Royal Aeronautical Society (www.raes.org).

The following table lists each of the School's programmes along with the corresponding professional body recognition:

| Programme Title | IET | IMechE | RAeS |
|---|------|--------|------|
| MSc Aerospace Engineering | CEng | | CEng |
| MSc Automotive Engineering | CEng | | CEng |
| MSc Mechanical Engineering | CEng | | CEng |
| MSc Manufacturing Management | CEng | | |
| MSc Operations & Supply Chain Management | CEng | | |
| MSc Advanced Digital Systems | CEng | | |
| MSc Data Communications and Networks | CEng | | |
| MSc Embedded Intelligent Systems | CEng | | |
| MSc Radio and Mobile Communication Systems | CEng | | |
| MSc Broadband Telecommunication Networks | CEng | | |
| MSc Internet Engineering | CEng | | |
| MSc Biometrics and Cybersecurity | CEng | | |
| MEng Mechanical Engineering | CEng | CEng | CEng |
| MEng Aerospace Engineering | CEng | CEng | CEng |
| MEng Aerospace Engineering with Space Technology | CEng | | CEng |
| MEng Aerospace Systems Engineering | CEng | CEng | CEng |
| MEng Aerospace Systems Engineering with Pilot Studies | CEng | CEng | CEng |
| MEng Automotive Engineering | CEng | CEng | CEng |
| MEng Automotive Engineering with Motorsport | CEng | CEng | CEng |
| MEng Digital Communications and Electronics | CEng | | |
| MEng Digital Systems and Computer Engineering | CEng | | |

| Programme Title | IET | IMechE | RAeS |
|--|------|--------|------|
| BEng (Hons) Mechanical Engineering | CEng | CEng | CEng |
| BEng (Hons) Aerospace Engineering | CEng | CEng | CEng |
| BEng (Hons) Aerospace Engineering with Space Technology | CEng | | CEng |
| BEng (Hons) Aerospace Systems Engineering | CEng | CEng | CEng |
| BEng (Hons) Aerospace Systems Engineering with Pilot Studies | CEng | CEng | CEng |
| BEng (Hons) Automotive Engineering | CEng | CEng | CEng |
| BEng (Hons) Automotive Engineering with Motorsport | CEng | CEng | CEng |
| BEng (Hons) Electrical and Electronic Engineering | CEng | | |
| BEng (Hons) Digital Communications and Electronics | CEng | | |
| BEng (Hons) Digital Systems and Computer Engineering | CEng | | |
| BSc (Hons) Aerospace Technology with Management | IEng | IEng | IEng |
| BSc (Hons) Automotive Technology with Management | IEng | IEng | IEng |
| BSc (Hons) Motorsport Technology | IEng | IEng | IEng |
| BSc (Hons) Aerospace Technology with Pilot Studies | IEng | IEng | IEng |
| BSc (Hons) Computer Technology and Networks | IEng | | |
| BSc (Hons) Digital Film and TV Technology | IEng | | |
| BSc (Hons) Multimedia Technology | IEng | | |
| BSc (Hons) Film and TV Production | IEng | | |

The Engineering Council recognise the following types of degree as follows;

MEng

This course is recognised by the Engineering Council for the purposes of meeting in full the academic requirement for registration as a Chartered Engineer.

BEng (Hons)

This course is recognised by the Engineering Council for the purposes of meeting in full the academic requirement for IEng and in part for CEng.

BSc (accredited for IEng)

This course is recognised by the Engineering Council for the purposes of meeting in full the academic requirement for registration as an Incorporated Engineer.
