Student Wellbeing

Counselling and Disability

Where to find us *Handy Guide*

Where to find us

Student Wellbeing (Counselling and Disability) are located within the Hutton Hub building on the College Lane Campus, right next to the Forum.

We are on the first floor of the building and can be reached via:

- Lift access
- Level access
- Stair access

There are lots of routes you can take to visit us so we have put together this handy guide to help you find the most suitable one for you.

Lift access

We have three different lifts you can use to reach us.

A – Platform lift.

This connects the D Corridor, (right by D450) to the first floor of Hutton Hub. It takes you up a small elevation, the equivalent of 5 steps. Once you have come out of the lift, pass through the double doors and turn right. Student Wellbeing is located to your left.

B – Platform lift.

This connects the ground and first floor of the Hutton Hub. If you are on the ground floor, you will find the lift outside the Hertfordshire Students' Union. Take the lift up the first floor, exiting to your right through the single door. You then take the next door to your right through into the Hutton Hub and follow the balcony round to Student Wellbeing.

C - Passenger lift

This connects the ground floor to the first floor and is accessed through the Student Center, past their computer suite, turn left through the door and just along the corridor to the right. When you exit on the first floor, pass through the doors to your right, then turn left where you will come out on to the Hutton Hub balcony – Student Wellbeing is located to your right.

Please note although this passenger lift is neatly tucked away at the back of the building, the route is fully accessible to all visitors during the opening hours of the Student Centre [link to opening hours].

Level access

There is level access into the first floor Hutton Hub where you won't need to use any stairs or lifts.

1. Enter the D corridor in the Main Building – we recommend the following step free automated entrances:

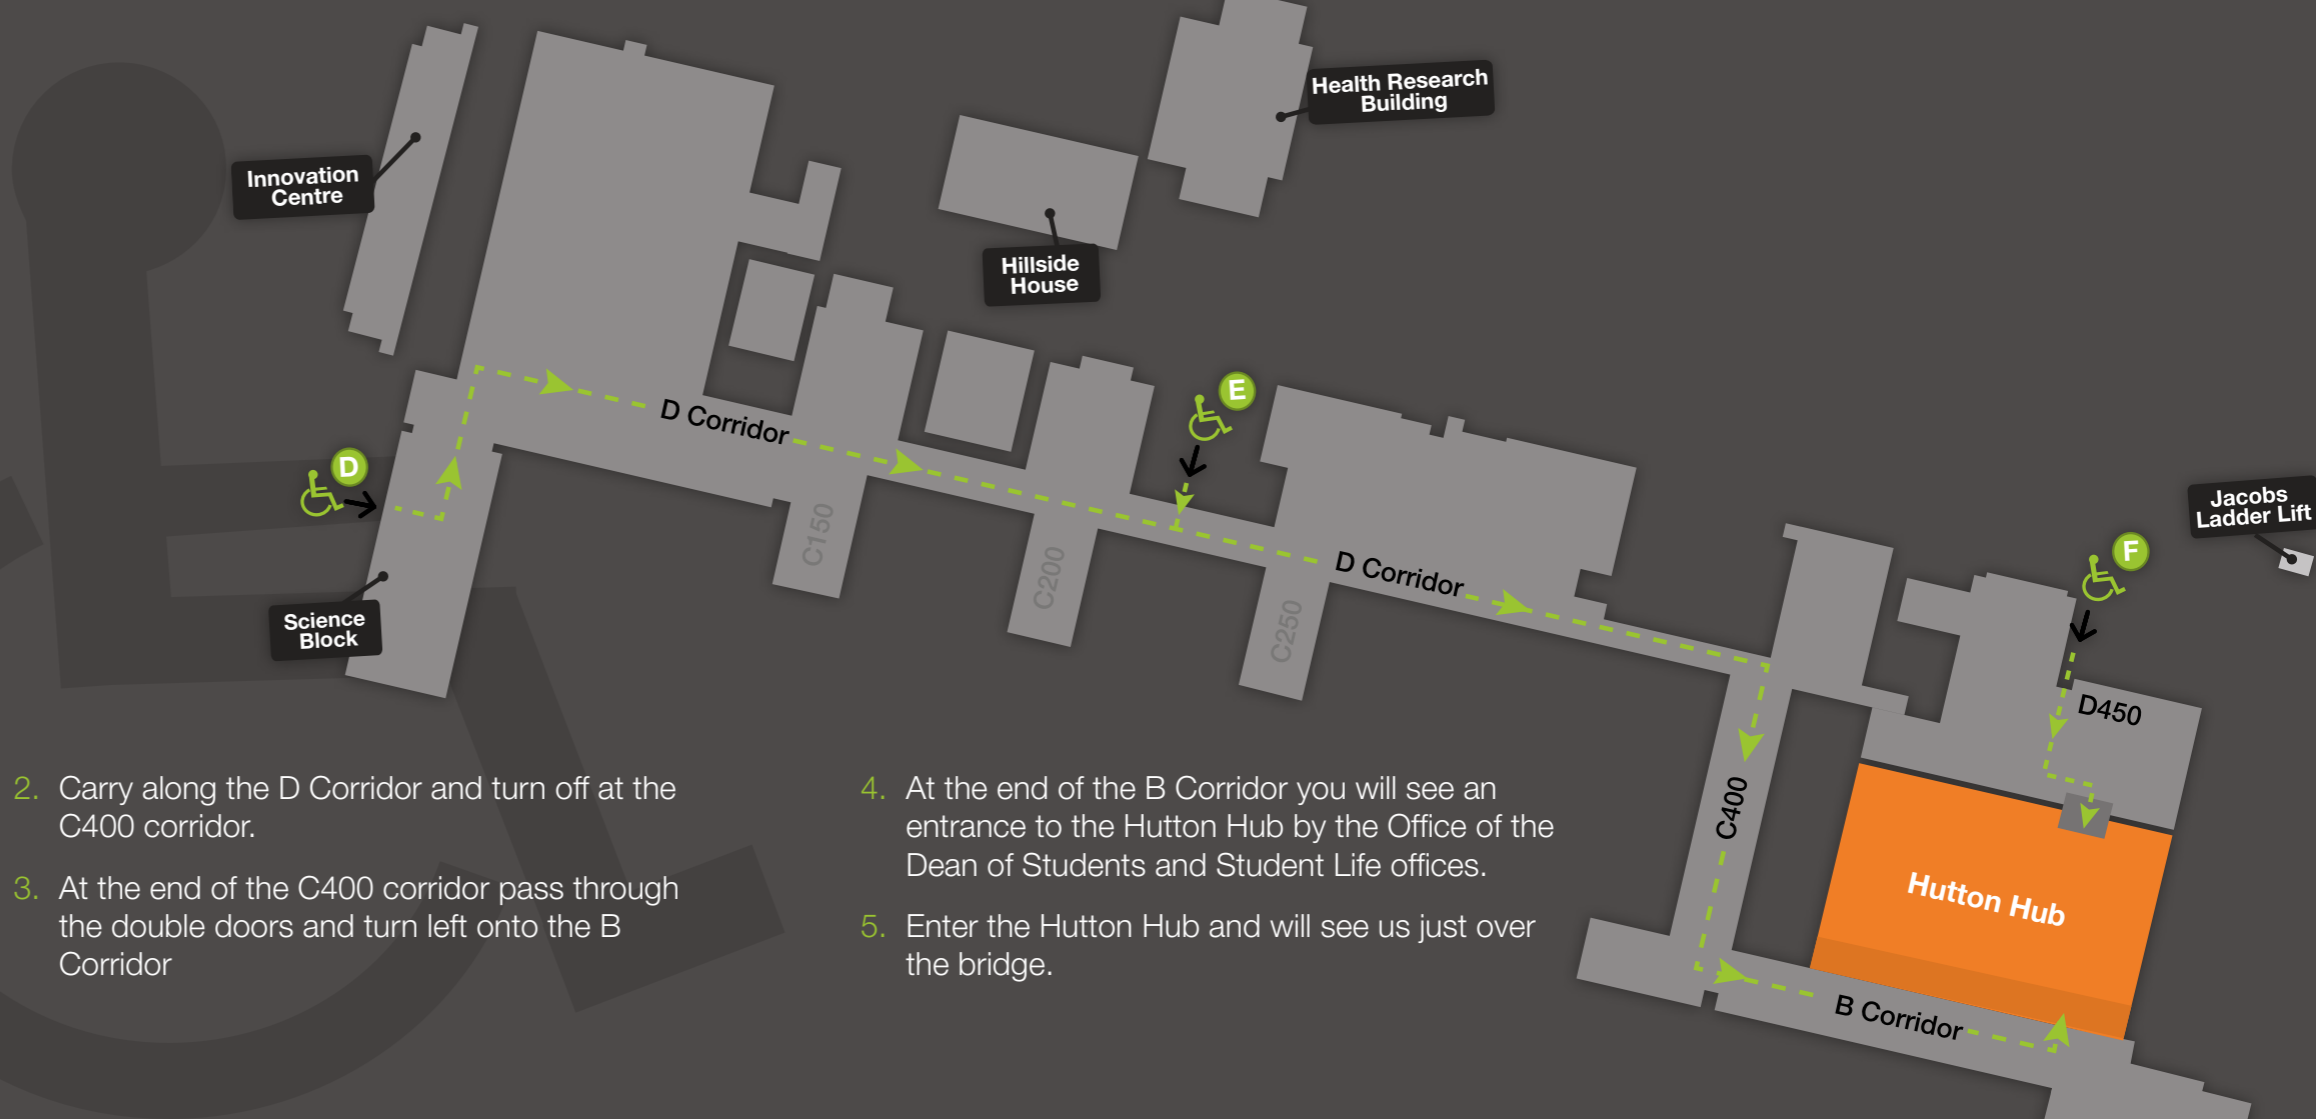

- D - By the Innovation Centre
- E - From the middle of Rear Service Road opposite the Health Research Building
- F - From the end of the Rear Service Road by D450, close to the Jacobs Ladder Lift

2. Carry along the D Corridor and turn off at the C400 corridor.

3. At the end of the C400 corridor pass through the double doors and turn left onto the B Corridor

4. At the end of the B Corridor you will see an entrance to the Hutton Hub by the Office of the Dean of Students and Student Life offices.

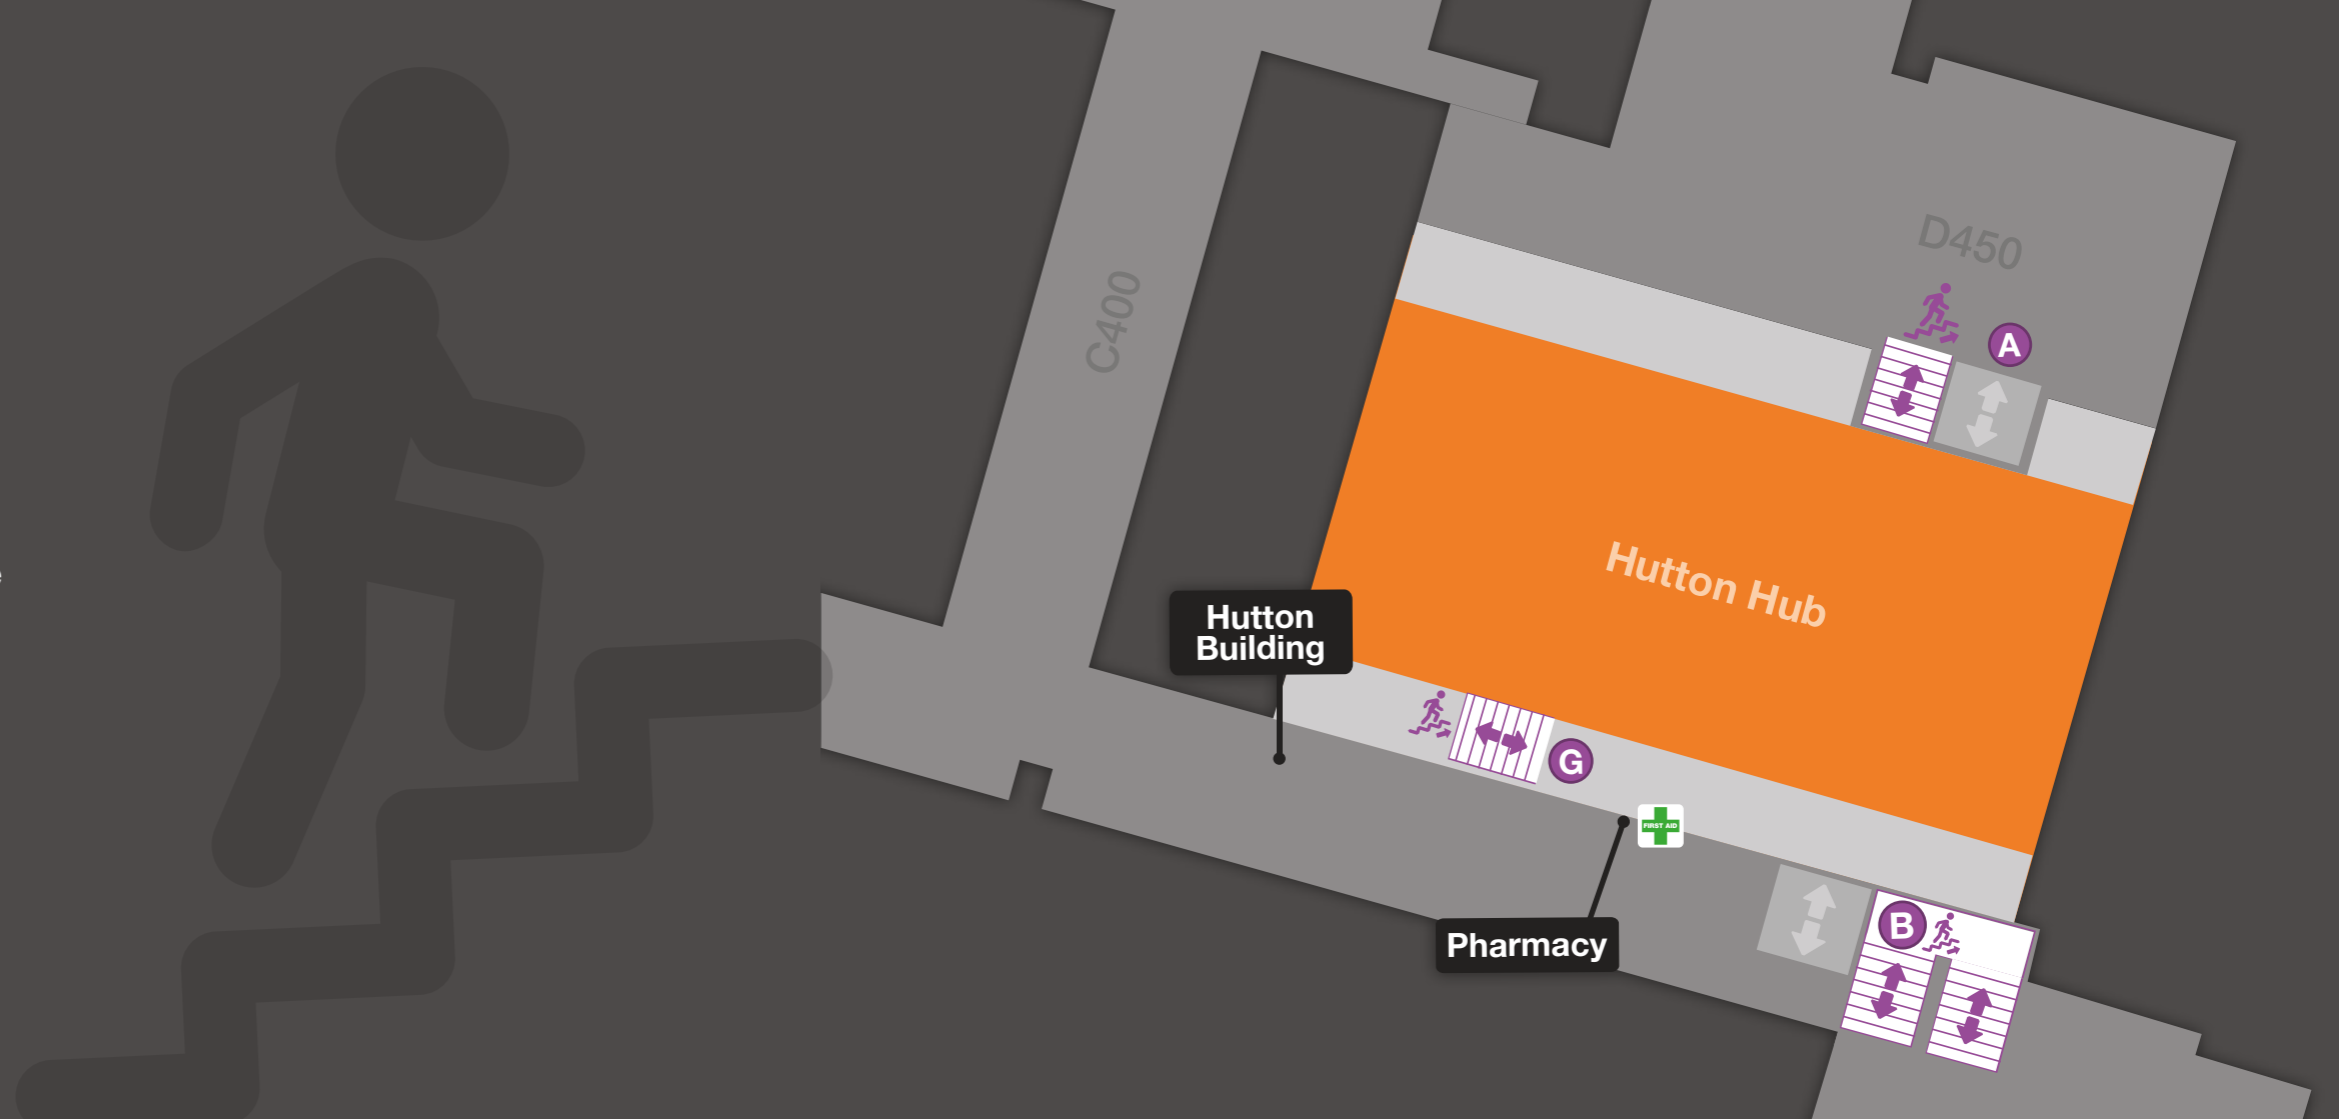

5. Enter the Hutton Hub and will see us just over the bridge.

Stair access

There are three different routes you take to find us using the stairs. These are:

- A - Off the D corridor by D450 – a small flight of 5 steps
- G - Ground floor of the Hutton Hub opposite the Pharmacy – a full flight of stairs
- B - By the Students Union – a full flight of stairs

Driving to Hutton Hub

The closest car park is the Forum car park.

If you require an accessible parking bay there are a number close by including:

- the end of the rear service road, right by the entrance to the D corridor
- the entrance to the Hutton Hub from the front of the campus, entering in-between Hertfordshire Students Union and Careers, Employment and Enterprise
- The Forum car park

Still not sure how to find us?

- Contact us on **StudentWellbeing@herts.ac.uk** or ring **01707 284453** and we will talk you through all the different routes
- Come to the building and speak to an Information Adviser on the ground floor who can show you the different routes.
