

Parking on College Lane Campus **New Guidelines**

From Monday 13th February 2012 the following changes will be introduced at the University's College Lane Campus.

- **Introduction of a 'Short Stay' car park located in car park 9. This is designed to encourage parking on campus for those that only visit for a few hours. Costs will be £1 for 3 hours (no return permitted within 1 hour) and both staff and students can park in this area without a permit.**
- **1st, 2nd and 3rd year students can park in the Forum car park. Cost will be £3 per day.**
- **Free parking at the Angerland Park and Ride. (Shuttle bus transfer charged at 50p).**

The de Havilland car parking policy is not affected by any of these changes.
