Getting here

Hertfordshire is just 20 miles north of London and is served by major rail, road and motorway networks including the M25, M1, A1(M) and M11. Four of the UK's international airports are also within easy reach. There are regular trains and buses between all college campuses. If you're under nineteen, you can buy a Hertfordshire SaverCard for around £10, entitling you to half fares on public transport all over Hertfordshire. For more on travel and discounts, ask at your college or phone the Hertfordshire Passenger Transport Unit on 01992 556765.

For further details on how to contact any of the colleges please turn to page 67.
