## **University of Hertfordshire campuses**

The University of Hertfordshire is based across two large campuses. Over the 125 acres we have our nine schools of study and all of the University social and learning facilities.

## **Food Shops**

There are many shops in the local area. You can shop in the major supermarkets such as Tesco, Aldi or Asda or if you just need the essentials you can visit smaller retailers such as Co-operative or shops in the town centre.

## **LUNA Accommodation**

If you prefer not to live on campus, there is private student accommodation close to campus in the form of the Fusion Students development, LUNA.

## **Exercise Facilities**

If you want to keep fit during your studies, then there are lots of options in the local area. You can choose from the University's Sports Village on de Havilland, smaller gym on College Lane or the various off-campus gyms and swimming pools in Hatfield.

## **Hatfield Train Station**

Need to get into London? You can catch a train at Hatfield Station which goes directly to King's Cross Station in Central London. You can also catch connecting services to the rest of the country for the station.

## **Hatfield House**

Hatfield House is a country house set in a large park, the Great Park, on the eastern side of the town of Hatfield, Hertfordshire, England. The history of Hatfield House really begins in about 1485 when John Morton, Bishop of Ely and King Henry VII's minister began to build Hatfield Palace.

## **Car Dealerships**

If you need to get a car and have the correct license to drive in the UK, you can purchase a car from one of the various car dealerships in Hatfield.

## **Angerlands Park & Ride**

If you need to park on campus and the on campus car parks are full you can park at the Park and Ride and get a bus to campus.
