LGBT Support

LGBT SUPPORT AT THE UNIVERSITY

The University uses LGBT History Month as a way of raising awareness with staff, students and local communities; developing and retaining local partnerships; creating safe spaces on campus and it enables us to create positive LGBT experiences and positive attitudes towards LGBT people.

LGBT SUPPORT GROUPS

The University has a LGBT Staff Network and a Student Union LGBT+ Society. Both are friendly groups for all LGBT+ people and straight friends which allow staff and students to come together, to share information and to network and to socialise.
