

Business Academy CPD Passport

The Business Academy CPD Passport is an easy pre-payment scheme designed for professionals and employers to develop CPD skills and training. Offering maximum flexibility and significant savings, you can 'pick and mix' your own training plan throughout the year from our extensive range of CPD courses. What's more, the passport is not limited to just one person, and can be used by anyone from your business.

Benefits:

- 'Pick and Mix' flexibility within a fixed budget
- Easy to administer
- Can be used individually or by anyone in your company
- Simple cost-effective skills development for your team
- CPD certificated from University of Hertfordshire
- Access to business academy events
- Access to the university online learning resources

Choose from any of our CPD Super Series, and simply select the level you require:
