Common Room Layouts

- This document demonstrates a selection of common room layouts in order to build a shared language between us.
- As a bespoke venue all of these are customisable and we'll work with you to deliver the best set for your event.

Capacity Changes

To ensure distancing can be achieved safely we have modified our room capacities and layout options. As standard rooms will be set:

Classroom Style

Variations on these styles are achievable (i.e classroom style pods) but would need to be discussed and risk assessed with your Events Coordinator.
