

## Discover Engineering Summer School – Residential Kit Checklist

The following list is not exhaustive; however, it serves as a good guide of what belongings to take with you for a **2-day** residential stay.

- Suitable comfortable clothing for in-class activities
- Suitable clothing for active sessions (trousers, t-shirt, shorts, sportswear)
- Something waterproof (in case it rains!)
- Underclothing and socks
- Trainers or suitable footwear for in-class activities and active sessions
- Washing and showering kit, toothbrush, toothpaste, and towel
- Personal medications
- Personal hygiene products
- Sun protection kit
- Overnight clothing
- Reusable water bottle
