

DECLARATIONS OF INTERESTS AND THE MANAGEMENT OF CONFLICTS

Please read the following legal and regulatory briefing note before completing the required form.

1. It is a **legal requirement** in the UK that all directors of companies and trustees of charities must declare any direct or indirect interests that they may have in any transactions or arrangements entered into by the institution of which they are directors/trustees. This ensures appropriate transparency in decision-making and prevents decisions of the relevant boards of directors/trustees from being invalidated (by operation of law) as a result of a failure to declare. **A failure to declare an interest may also constitute a criminal offence** under both companies and charities legislation.
2. **Direct interests** will be a director's or trustee's own interests in other entities or connections with those entities (for example, through investments or appointments with those entities). **Indirect interests** will include the direct interests of family members of directors/trustees.
3. As a registered provider with the Office for Students (OfS), the University of Hertfordshire is required to comply with the OfS's conditions. **OfS Condition E1 (Public interest governance) requires that the University properly manages conflicts of interest and maintains a public register of interests which may give rise to a conflict.**
4. It is therefore vital (as a matter of compliance with UK law and University regulatory obligations) that all governors, directors of subsidiary companies, and senior staff in positions of influence over University decision-making (i.e. Board appointees and Pro Vice-Chancellors) (1) properly declare all direct and indirect interests and (2) ensure that their entry on the University's register of interests is kept updated.
5. At the University of Hertfordshire, a register of interests of trustees, directors and senior staff (Register A) is maintained by the Governance Services Department (on behalf of the Secretary & Registrar). The University's anti-Bribery and Corruption Policy (UPR GV12) sets out the basis for maintaining this register. The Policy can be found on the University website at the following link:
https://www.herts.ac.uk/_data/assets/pdf_file/0019/233056/GV12-Bribery-and-Corruption.pdf.
6. Under the Policy, all governors, directors of subsidiary companies, and senior University officers who advise the Board of Governors must make a declaration (via Form A) of all direct and indirect interests. Register A (recording those interests) is a matter of public record and must be published by the University. The Secretary & Registrar (or their nominee in Governance Services) must be informed of any significant changes to an individual's declaration within twenty working days. Should directors/trustees become aware of a conflict of interest arising or potentially arising at a meeting, they should raise this in advance, as soon as they become aware of it, and may be required to withdraw from the discussion of the relevant matter.

We are grateful for your assistance in ensuring that the University meets its legal and regulatory obligations. Please complete Form A to declare all direct and indirect interests and please ensure that you inform the University, as soon as possible, of any changes to your declaration.

Secretary & Registrar
