Help and emergencies

In case of illness, injury or lost property, please inform a staff member and we'll be happy to help. If you hear a fire alarm, please leave the building immediately and follow the University's fire safety guidelines.

Which campus?

The open day is taking place across two campuses today with check-in taking place at our College Lane Campus. You can either drive, use our intercampus shuttle, or walk - the campuses are only about a mile apart.

Why not take a look around both after your sessions?

Make the most of your day

Throughout this event guide, you'll find numbers that represent map locations which will help guide you around campus today.
