

COVID-19 Procedural information for employers before attending University of Hertfordshire Campuses.

The safety of our community is of the utmost importance, and our priority is to provide a 'COVID-secure' environment for staff, students, employer visitors and all guests.

All employers are encouraged to test for Covid-19 no more than 48hrs before arrival on campus and to follow good hygiene practices at all times.

Face coverings are encouraged whilst on campus and please respect social distancing where possible.

Please look out for our venue check-in QR code posters from the NHS COVID-19 Test and Trace.

If you have symptoms of COVID-19 whilst on campus, please inform a member of staff and get a PCR test as soon as possible:
