

## **Mrs Carrie Ricketts**

Carrie Ricketts is a Lecturer in Actuarial Mathematics in the School of Physics, Astronomy and Mathematics. She is an Associate Fellow of the Higher Education Academy.

Carrie obtained her master's degree in 1996 from Cambridge University and qualified as a Fellow of the Institute and Faculty of Actuaries in 1999. She worked as an actuary at a consultancy firm in London for many years before deciding it was time for a career change. She joined the University of Hertfordshire in 2014.

Carrie teaches several 1<sup>st</sup> and 2<sup>nd</sup> year mathematics modules, mainly for the financial mathematics programme, and coordinates the final year financial mathematics investigations. She also holds the position of PAM Placement Tutor and Study Abroad coordinator. She sits on the School Academic Committee, the Industrial Liaison Committee and the Equality Committee.

Carrie works part-time, and combines her career with being a mum to three primary age children. She also has a voluntary role as governor in a primary school.
