All teaching and other activities will take place in an [online live learning format](#).

Teaching Units 1-6 are compulsory – extra activities are optional, but recommended.

If you choose to work towards the CMI Level 5 Management Coaching & Mentoring Certificate, the Assessment will consist of 3 written assignments, plus 2 (compulsory) Professional Discussions which will be scheduled at a convenient time for each student. Please see course overview for full details of assessment requirements.

The core sessions take place between 28 October and 20 January; the accredited elements of the course continue into the spring, and final certification is subject to CMI external moderation.
