Science leadership: *face to face & remotely delivered*

Help! How do I lead primary science?

Whether you are new to the role of science subject leader or have been the leader for a couple of years, you will be supported to bring about change at a whole school level. Mapped to the NPQLT framework, the course will provide a solid foundation for those wishing to continue their leadership journey further. The course explores 5 key themes: what is science like in my school, essential skills for leading primary science, assessment for learning, leading teaching and learning and raising the profile of science.

Course code: RH030 B02 Course fee: £534* + VAT / £800 + VAT for fee-paying schools

This is a blended course of remotely-delivered, face-to-face and self-led sessions.

- 16/11/2022, 15:30-17:30 – *remotely delivered*
- 30/11/2022, 09:30-15:30 – *face to face* at University of Hertfordshire
- 11/01/2023, 09:30-15:30 – *face to face* at University of Hertfordshire
- 18/01/2023, 15:30-17:30 – *remotely delivered*
- One self-led online session to be completed in your own time

*** A limited number of teacher release payments of £350 for teachers from state-maintained schools are available for this course.**
Please email stem@herts.ac.uk for details.

Course/Event	Information	Details	Fee
<p>Leading primary science in a special educational needs setting</p> <p>Face to Face: Hollybush Primary School, Hertford</p> <p>Course Code: RH177 B01</p>	<p>The course will provide a framework for participants to evaluate their current provision, identify their own next steps and improve their own leadership skills. It will provide a wealth of practical activities which are accessible for children with a range of additional needs and explores how working scientifically can be planned for throughout the curriculum for pupils with SEND to improve outcomes for students.</p>	<p>15/11 part 1 29/11 part 2</p> <p>15:45 - 17:15</p>	<p>£95 + VAT</p>

Leading assessment, moderation and tracking in primary science

There is no one-size-fits-all approach to assessment. However, this course will give primary subject leaders and teachers the opportunity to explore best practice in primary science assessment and a chance to investigate the resources that are available in the wider educational world.

Course code: NY032 F22 Course fee: £430* + VAT

This is a blended course of remotely-delivered and face-to-face sessions.

- **23/11/2022, 16:00-17:30** – *remotely delivered*
- **07/12/2022, 09:30-15:30** – *face to face* at University of Hertfordshire
- **25/01/2023, 09:30-15:30** – *face to face* at University of Hertfordshire
- **22/02/2023, 16:00-17:30** – *remotely delivered*

*** Bursary of £800 available to eligible state-maintained schools. [Check eligibility on course page.](#)**

The course content was excellent...I found the pace and content were pitched perfectly for a subject leader.

Participant of Developing your primary science curriculum using the Ofsted framework

The presenter was fantastic, knowledgeable, easy to listen to and helpful.

Participant of Developing children's non-fiction writing...
